## **Overview: Note from Diana-Liz**

Everything shared on this website is my opinion and only my opinion. I am not a doctor, lawyer or astronaut and I don't play one on the internet. As such, anything I write is (obviously) not a substitute for medical advice and you should get medical advice from a competent professional whenever needed.

I am retired school teacher who is obsessively passionate about making the world a better place for you, your children and future generations. This means that everything on this website is my original work (unless noted otherwise) and I probably wrote it in a sleep-deprived state. Please understand this is likely the reason for any typos or grammatical errors. Please also respect that everything I've written on this website took much time, effort and research

(often at the expense of spending time with my family) and may not be reproduced in any way without permission. Photos may not be used without permission.

I'm always grateful and appreciative when you share my posts and information with your family and friends and you are what makes this amazing community at RejuvenatingLifestyle.com so special. I welcome links to my articles and shares on social media, but do not allow full-reprinting of my articles (or any excerpts longer than 10%, this is bad for your SEO anyway, so just don't do it!).

I use **affiliate links in many posts**. For the purpose of disclosure, please assume that all links are affiliate links and that I make a 4% to 10% commission through any purchases made through links on this website. Also, please accept my guarantee that I link to products that I have personally purchased and used on my own family and under no circumstances will I link to a product I do not absolutely love just for the sake of an affiliate commission. For the sake of creating a better experience for you, the reader, I do not allow advertising networks, paid or sponsored posts, and all opinions are my own. Any eBooks, courses, and affiliate links help me keep the site up and running with the costs of software, hosting, security, and updates. Thanks in advance for your support if you ever use an affiliate link.

I won't spam you ever (spam email and online articles where you must click the "next" button 132 times to read are my biggest pet peeves!). If you unsubscribe from RejuvenatingLifestyle.com, you will lose access to my products and services.

Please also assume and understand that I am a real person with real feelings, as are the other readers and commenters on this website. Disagreement and RESPECTFUL conversation is quite welcome. However, Spam, self-promotion, and inappropriate behavior towards me or any other person on this website will not be tolerated. Don't like something I've said or written? Disagree respectfully and preferably with sources so we can both learn, and I'll extend you the same courtesy.

The goal of RejuvenatingLifestyle.com is to uplift, encourage and support other individuals, so any personal attacks, attacks based, rude comments or name calling will not be tolerated.

You also agree by using RejuvenatingLifestyle.com that none of the information here is to be in any way used as medical advice or to diagnose, treat, prevent, or cure any disease. If you take any information from this website or any website at face value and go try it without medical or professional supervision, it could result in death, injury, and disability.
